Geometry in Nature

# TUMAMOC

## Drawing Skills for Field Notebooks

March 7-April 25, 2020  
Saturdays, 9am- 12 at the  
Desert Laboratory on Tumamoc Hill

For more information and registration details see:  
[www.tumamoc.arizona.edu/art-and-science/course](http://www.tumamoc.arizona.edu/art-and-science/course)

Science and art, working together  
Anyone can learn to sketch and improve observational skills with Tumamoc artists Paul Mirocha, Bill Singleton, and Barbara Terkanian. Eight weeks, eight subjects, with guest scientists. All levels welcome. \$80 per session / \$550 for all. (50% student discounts available.) See website for details.
